Get together over coffee or ice cream and make a commitment to help donate money or volunteer

There are many ways to help the Lupus Foundation of Southern California. We need money for research and support for those families affected by Lupus. We need body's to help with event facilitation. We need team leaders to organize others at their place of work for fund raisers. As it's been said before it takes a village . . . We need your help. Please step up and do what you can.

“donate,
volunteer
and help!”
