### FREE ONLINE COUNSELING

[USC Telehealth](#) , through the University of Southern California has extended a special offer to the Lupus Foundation of Southern California to offer California residents up to 12 sessions of professional online counseling that you can receive at home. Clients in the program connect to a therapist using their own recent computer/laptop, webcam, and high-speed Internet. Services are completely private, confidential, and HIPAA compliant. USC Telehealth specializes in supporting the emotional needs of clients experiencing chronic illness and its effects on family, loved ones, and caregivers.

These **FREE** professional services are **worth \$2,000 per person and are being donated** to individuals, family members, and caregivers to support those affected by Lupus. Availability is first-come, first-serve ... starting immediately. If you or a family member would like to take advantage of this valuable support program, sign up today by calling

**(866) 740-6502**
